There's no shortcut to transformation.

It's important to know the whole Bible.

The goal of the Bible is relationship, not just information.

## 3 Warnings about AI:

- AI only gives you information.
- AI gets it's information from the internet for better or worse
- AI can also make up wrong information (hallucinate)

Here are some things Christians can use AI for:

- Get background information about a passage.
- Get answers to tough questions.
- Study the original languages of the Bible.
- Ask "Is that in the Bible?"

## 2 Tips to get better answers from AI:

- Add a who
- Add the end result you want
