## Preparing Our Hearts

### Framing the week prayerfully

This week is not about deciding  
It is about prayerful reflection  
Ask God what He is stirring in you

## Questions for Reflection

### Guiding Individual Prayer

What resonates with me?  
What feels hopeful?  
What feels uncertain?  
What questions remain?

## Discerning Your Place

### **Encouraging ownership without pressure**

Where do I feel invited?  
Where do I feel hesitant?  
What brings clarity or peace?  
How can I contribute meaningfully?

---

## Trusting One Another

### **Setting Our Relational Posture**

Assume good intent  
Speak honestly  
Listen generously  
Unity does not require uniformity

---

## Next Saturday

### **Preparing Expectations for Listening**

A time to listen  
A time to share reflections  
Nothing will be debated  
Nothing will be decided

---

## Your Voice Matters

### **Affirming Our Belonging Together**

Your voice matters  
Your story matters  
We trust God's guidance  
Speak, listen, and share  
Embrace our community journey
